FROM: Reiter  
SUBJECT: Field catalog cards of Bc53, 1940 dig (Roberts)

The following cards were shipped to Dr. Roberts today:

Bc53 10/101-106	20/101-169	22/101-121	30/101-157	35/101-108
108-113		150-152	160-165	
117				
150				

In addition there are two Vegetal Mat. Cards without number.

Because the 1940 and 1941 numbers from Bc53 were overlapped I added 100 to the chronological numbers of the 1940 material; same number changes have been made on the specimens themselves.
